

This is a list of information guides available to help patients and caregivers locate educational and support resources on cancer. Each guide provides links and references to reliable and current information sources.

If you have a diagnosis or a question not appearing below, the Rogel Cancer Education team **will still be able to assist** you in locating reliable information.

To view the guides on-line, follow the link: [michmed.org/rogel-info-guides](http://michmed.org/rogel-info-guides) and select from the list of topics.

You may also contact the Rogel Education Program directly by **telephone: 734-647-8626**, or **e-mail: CCC-PERC@med.umich.edu**.
