

The purpose of this guide is to help you find information and support on myelodysplastic syndromes. This guide provides links and references to reliable and current information sources for patients, families, and caregivers.

Many of these materials are available to purchase through online resources, or to borrow at your public library.

Brochures and Fact Sheets

- The Leukemia & Lymphoma Society
 - Myelodysplastic Syndromes (MDS)
 - The MDS Guide – Information for Patients and Caregivers

Printable version available at:

<http://www.lls.org/resource-center/download-or-order-free-publications>
