Music Therapy: Group Ukulele Lessons

**Come learn** to play the ukulele in a supportive and fun way.

Patients will learn basic fundamental music skills such as cords and strumming techniques.

To get the full ukulele experience, call the registration line to sign up for one or all 4 of the sessions.

The ukulele and song book are yours to keep, available through a generous donation at no cost to you.

No musical experience necessary.

Led by Peter Carpenter, MT-BC, NMT, Rogel Cancer Center Music Therapist
