This meeting is an opportunity for women with advanced cancer (stage IV) to share their experiences in a supportive setting. Meetings are held twice a month and are led by UM Comprehensive Cancer Center professionals.

The format includes:

- Open forum
- Presentation
- Discussion

Topics for each upcoming group can be found on the PFSS calendar posted at the elevators in the Cancer Center and online at [www.mcancer.org/news](http://www.mcancer.org/news)
